Saachi[®]

Makes life easy...

Background

Saachi Manufacturers (U) LTD, is a leading electronics and home appliances company in Uganda dedicated to delivering high quality products at an affordable price under the brand name "Saachi".

History

Saachi began operations in 2004, importing electronics and home appliances. In 2017, aligning with the national goal of fostering industrial growth with the "Buy Uganda, Build Uganda" (BUBU) slogan given by His Excellency, Saachi following the initiative set up a manufacturing and assembling plant for various electronics and home appliances which was commissioned by His Excellency President Yoweri Kaguta Museveni in the year 2018.

Mr. Devanand Nainani (MD)

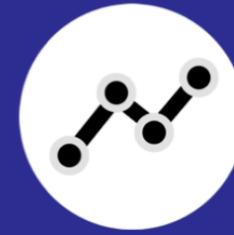

Message from Founder and Managing Director.

Founder of the company Mr. Ashok Bhagchandani who is based in Dubai, and under the leadership of Managing Director Mr. Devanand Nainani, Saachi has built a reputation for quality and reliability for over 19 years.
